

Job Fair/Career Opportunity Service

**Thinking of a career change? Seeking career guidance and direction?
Looking for a rewarding position where you make a difference every day?**

Since 1967, The Deron School has provided a nurturing environment, family culture, and personalized curriculum to help students with special needs reach their greatest potential. When a student's needs cannot be met in their home district, they choose Deron because of the quality of our programs and the deep commitment of our staff. We take great pride in our team approach to staff training, support and opportunities for personal and professional growth.

The Deron School is an Equal Opportunity Employer.

Our team embraces the diversity of our school community.

We are committed to maintaining an atmosphere of respect for individual choices and beliefs.

Your commitment to the field of education is valued and enriched at The Deron School.

Join us for an open house, on the spot interviews, and free career advice.
